

SHARE THE Y

Do you enjoy the Y? Then why not invite friends or family members to join? You'll feel good that you have motivated them to begin a healthier lifestyle and you'll both receive a free month of Y membership!

Here's how it works:

1. As a current Y member, you invite a friend to join by giving him or her a referral form.
2. Your friend brings the referral form when he or she joins.
3. If your friend joins, both of you receives a free month of membership! (See full rules below.)

At the Y, you're a member of something special: the nation's leading nonprofit dedicated to youth development, healthy living, and social responsibility. We appreciate you continued support of the YMCA.

Promotion Rules and Eligibility:

New Members:

- New membership must be full membership types only. Adding members onto a current membership is not eligible for this promotion.
- New memberships are defined by the following types: Family, Single Parent Family, Adult, Youth, Senior Citizen Adult, and Senior Citizen Family. Memberships are counted by household units, not by the number of people in a household.
- The new member will be responsible for paying the joining fee (where applicable).
- The new member must remain a member for at least three months.
- If the new member is a former member of the Y, he or she must have cancelled the membership a minimum of 90 days ago.
- The new member must notify the Y Member Service Desk of the referral at the time of joining. This offer is not retroactive if a referred member joined and did not present the referral form at the time of joining.
- If a new member joins during a Y membership promotion time, the current member will receive a free month for the referral and the new member will receive the benefit offered during the promotion. The new member will not also receive a free month.

Current (Referring) Members:

- Current Y member receive one free month for each new referred membership unit sold. A member can refer up to six new memberships for a total of up to six free months per 12-month period. If you are a new member who joined because of a referral, you can invite up to five more new members for a total of six free months per 12-month period.
- The free month of membership applies to the amount the current or new member pays out-of-pocket. For example, if a current member receives scholarship from the Y, he or she receives a free month for the amount he pays out-of-pocket.
- Current members must belong to the Frank P. Phillips YMCA.
- Current members who paid a year up-front and refer someone will receive the credit amount towards his or her next membership renewal.

Additional Notes:

- The free month of membership applies to the amount the current or new member pays out-of-pocket. For example, if a current member receives scholarship from the Y, he or she receives a free month for the amount he pays out-of-pocket.
- The Y will issue no cash back for this promotion. If the member terminates their membership or loses membership privileges before receiving their free month(s), they will lose those free months.
- This promotion is not available in conjunction with our "Pay No Joining Fee" promotion or people who wish to join through the Corporate Wellness program. Any new member eligible for the Corporate Wellness membership must chose between that or the referral reward program.
- The Y reserves the right to deny a free month(s) if the referral program appears to be abused by either the new or current member. The spirit of the program is to reward true referrals.
- Rules are subject to change. Current rules will be posted on **www.columbus-ymca.com**.
